

# Fino

## Surface Mounted Aluminium Profile

### Specification:

**Lengths:** 1000mm & 2000mm

**Finish:** Aluminium

**Use:** Under or inside kitchen or bathroom cabinets, inside wardrobes

### What you require:

- Purchase the Fino surface mounted aluminium profile in a 1m or 2m length
- Choose the flexible strip of your choice from the Sensio range
- The profile and flexible strip can be cut to length as required
- One set of end caps and mounting brackets are included. The 1m profile has 2 mounting brackets and the 2m profile has 4. If the profile has been cut you can buy additional accessories as required.

**For use in bathrooms use the Lumo IP Rated flexible strip light to offer additional protection and create a stunning focal point.**

### Product Code:

**SE981120 - 1m Fino Surface Mounted Profile**

**SE981220 - 2m Fino Surface Mounted Profile**

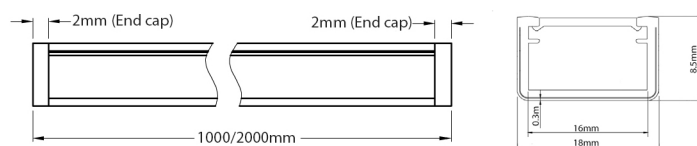

### Accessories:

**SE982050 - 2 x End Caps for Surface Mounted Profile**

**SE981050- 2 x Mounting Brackets for Surface Mounted**

### Dimensions:

The Fino has been redesigned with a slightly larger width and depth in order to house every flexible strip light in the Sensio range.

### Key Selling Points:

- Our aluminium profiles have been specially redesigned with a wider width to house all of our single colour, RGB and Dual colour flexible strip lights from the Sensio range, allowing you to create your perfect lighting solution.
- The frosted plastic diffuser creates a beautiful diffused lighting effect.
- The diffuser material has been redesigned to be much more flexible so it is much easier to install.
- The Fino and the flexible strips can be cut to length making this an extremely versatile solution – perfect when you have bespoke sizes to meet.
- End caps and mounting brackets are included. The 1m profile has 2 mounting brackets and the 2m profile has 4.
- Butt lengths together to create a longer run of continuous light.
- The profile is extremely slim to create the ultimate discreet lighting solution.
