I have pleasure in confirming our recommendation for Morrells paints in conjunction with Hornschuch paint grade 428-8001 and Hornschuch "Legno" foils.

We would still recommend that all customers test the system to satisfy themselves for compatibility.

The Morrells recommended system is;-

X001 Wipe - NO SANDING

1 coat 696/W07 adhesion promoter

1 hour air dry, 320 denib

1 coat fastmatch AC lacquer

I hope this helps; should any additional information be required, please do not hesitate to contact me.

Best regards

Martin Oxborough
