EGGER Decorative Collection 24+

Discover inspiring decors and textures, available across EGGER's wide product portfolio and unique matching material offer. Add value to your designs with EGGER boards, laminate, edging and worktops. Our UK and Ireland stock programme is available through our widespread distributor network, ensuring a fast turnaround to streamline project delivery.

With this collection, EGGER leads the way towards an environmentally sustainable future. By operating a closed loop environmental cycle across all our production sites, we reduce the environmental impact of our products and ensure an efficient use of wood materials.

PerfectSense Lacquered Chipboard TM9

Feel the difference

Offering a cost-effective, sustainable, and high-end matt look, with a chipboard core and anti-fingerprint technology.

Designed for vertical applications, the finish is durable, warm and velvety to the touch, with antibacterial properties.

The chipboard core is easy to process, and the product can be used for a variety of applications, including frontals, end panels and as carcass material.

Product structure

- 1** Protective film
- 2** UV top coat
- 3** Primer
- 4** Decorative paper
- 5** Eurospan E1E05 TSCA P2 CE UKCA

More transparency:

– 13,5 kg CO₂-eq/m²

88% material from renewable resources
12% material from fossil resources

76% wood from circular economy
4% of that pre-consumer recycling wood
24% of that post-consumer recycling wood
48% of that by-products from sawmill industry
24% wood from sustainable forestry

Recyclable

100% verified legal wood origin
72% of that certified

Texture Meets Colour

Stylish combinations for a bold or subtle finish

Mix and match 14 decors* across three textures for a timeless, cost-effective alternative to painted timber.

With 42 combinations available, Texture Meets Colour offers modern innovation paired with contemporary colour tones and textures.

All combinations are available as 18 mm Eurodekor Faced Chipboard with coordinating edging. The carbon negative board is made in Hexham, Northumberland, using recycled wood and sawmill by-products. It is 100% recyclable following use and is suitable for door frontals, carcassing, wall panels, wardrobes, and more.

Edging is available in both 23 × 0.8 mm and 23 × 2 mm. For ST19 boards we have matching edging in ST19 and for our ST12 and ST40 boards we have a ST40 edging available.

Our decors

The on-trend colour palette offers heritage shades of green, blue and grey, making it simple to design timeless furniture.

All decors available to order in all textures. For information on immediate stock availability of 18 mm Eurodekor Faced Chipboard, please contact your preferred EGGER stockist.

*For specific colour requirements a painting grade board can be produced in ST40.

More transparency:

-  **89%** material from renewable resources
11% material from fossil resources
-  **34%** recycled material
37% by-products from the sawmill industry
29% fresh resources
-  **69%** regional wood origin
-  **100%** verified legal wood origin
61% of that certified
