

## Product overview

The Torino is a sleek and stylish LED shelf that has cool white LEDs embedded within the frame to create a stunning glow as the light travels through the tempered glass.

The shelf is designed for easy installation, so once the wall bracket is secured to the wall the shelf simply slots into it.

The Torino is available in two colours which are anodized aluminium with matt black and silver finishes. The product is also available in 600 or 900mm lengths.

The Torino has a high IP rating (IP44) making the shelf suitable for installation in bathroom zone 2. It also has a recommended maximum load of 10kg, making it suitable to display a multitude of objects and decorations.

## Mechanical Specification

Dimensions (mm) L, W, D	Weight (kg)	IP Rating
600 x 200 x 20	Net: 1.8 Gross: 2.5	44
900 x 200 x 20	Net: 2.7 Gross: 3.5	44

## Benefits

- LED technology for long service life
